Marie Skłodowska-Curie Postdoctoral Fellowships (MSCA PF) - Incoming/Outgoing

Call open until 13 September. Everything you need to know about the call and application process.

1 Mar 2023

Horizon Europe work programme 2023-2024 - what's in it for Brazil and LAC?

Horizon Europe calls for 2023-2024, indicative list of calls with international cooperation as priority and how can LAC institutions and researchers participate.

21 May 2023

Austria (IST Bridge) - Postdoc fellowships in Science and Technology

The IST-BRIDGE program at Institute of Science and Technology Austria (ISTA) offers fully funded (two-year) postdoctoral fellowships for highly qualified candidates who have completed or will soon complete their PhD or equivalent in the natural or computer sciences, mathematics or any related

16 May 2023

Horizon Europe brokerage events

Don't miss the Health & Social Sciences and Humanities (SSH) Brokerage Events early June to meet partners and join the right consortium for the upcoming 2024 calls.

Under Horizon Europe, the European Commission funds

01. PhD

Marie Skłodowska Curie Actions (MSCA) DN & COFUND,
PhD positions in ERC teams

02. Post-doc

MSCA PF and many other on EURAXESS Jobs,
Postdoc positions in ERC teams

03. Frontier research

ERC grants (individual or groups of PIs)

04. Collaboration projects

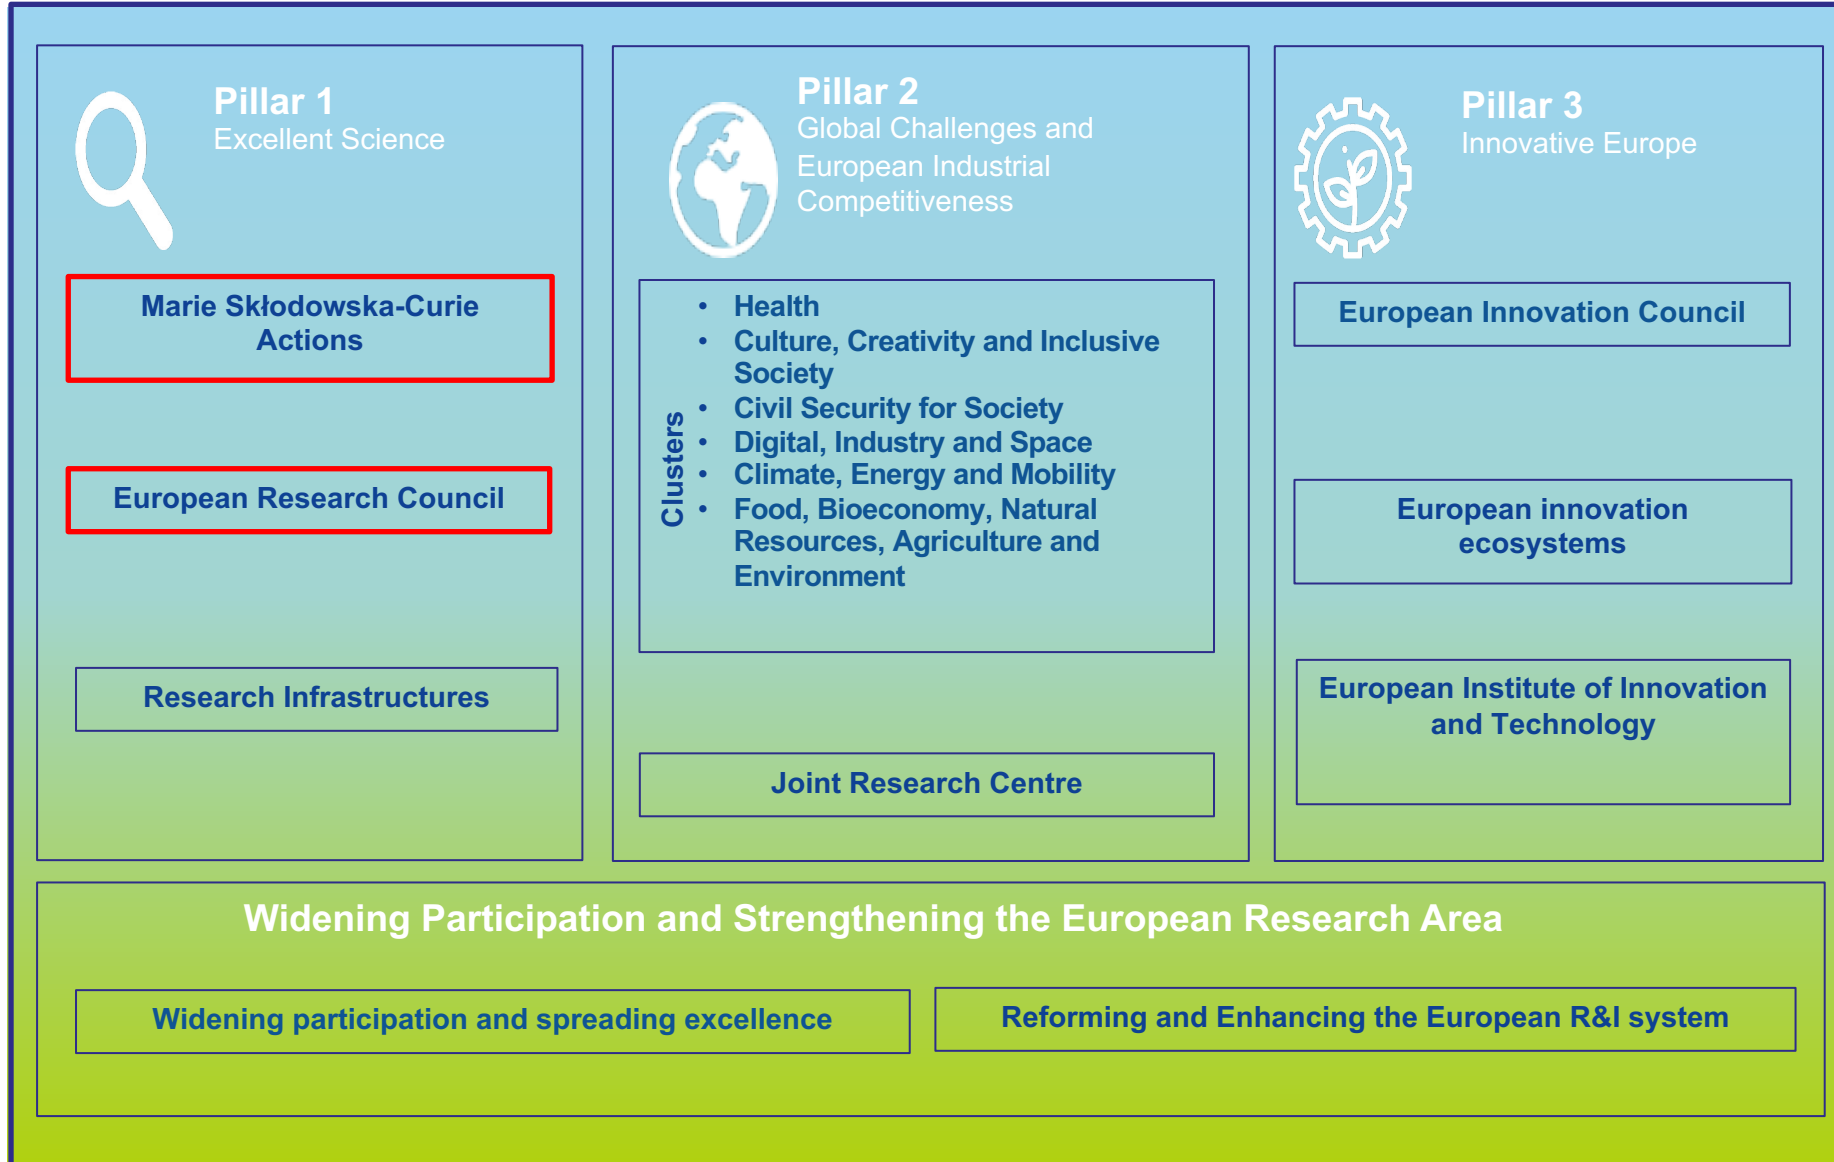

MSCA SE, MSCA DN, Horizon Europe (Pillar 2)

in Europe

(27 member states and
17 countries associated to
Horizon Europe)

Horizon Europe

the EC programme for research and innovation (2021-2027)

Horizon Europe (HE) total budget: € 95,5 billion

MSCA - Presentation of the programme

Researchers' training, skills and career development

Excellent R&I in all disciplines (no limits)

International mobility, across sectors and disciplines

Excellent working conditions

Structural impact on organisations through collaborative R&I projects

Cooperation with the private orgs., public sector, NGOs and SMEs

- Budget **EUR 6.6 billion**
- **Part of Horizon Europe, Excellent Science (Pillar 1)**
- **Global coverage:** support for researchers and organisations around the world
- Programme based on **geographical mobility**
- **Bottom-up** programme: funding for all scientific disciplines

Marie Skłodowska-Curie Actions (MSCA) Postdoctoral fellowships - PF

WHAT? Transnational postdoctoral fellowships. Research & training.
Secondments and placements allowed

European Fellowships
(1-2 years + 6 months)

8 scientific panels

For fellows going to Europe
(or moving countries within Europe)

Global Fellowships

(1-2 years + 1 year return phase
+ 6 months)

(1)

(2)

For fellows from* Europe going
to third countries such as LAC
and going back to Europe

Marie Skłodowska-Curie Actions (MSCA) Postdoctoral fellowships - PF

WHO? Researchers with a PhD + max 8 years of experience
All fields

HOW? Annual calls (April to September 2024)

Apply with a **host institution in Europe**
From academic or non-academic sector

Mobility rule:

Can not go to a country where have lived/worked > 12 months within the last 3 years

Resubmission: Impossible with the same host institution if score below 70% the previous year.

Generous, prestigious and competitive grants

Why to apply for ERC grant?

ERC offers independence, recognition & visibility to:

- work on a research topic of own choice
- gain financial autonomy for five/six years
- negotiate the best conditions of work with the host institution
- attract excellent team members and collaborators from anywhere in the world
- move with the grant to any place in Europe if desired (“portability of grants”)
- win additional funding

ERC grant schemes

Starting Grants

starters (2-7 years after PhD) up to € 1.5 Mio
for 5 years

Consolidator Grants

Consolidators (7-12 years after PhD) up to € 2 Mio
for 5 years

Advanced Grants

track-record of significant research achievements in the
last 10 years up to € 2.5 Mio
for 5 years

Synergy Grants

2 – 4 Principal Investigators up to € 10.0 Mio for 6
years
1 PI can be based outside EU/Associated
Countries

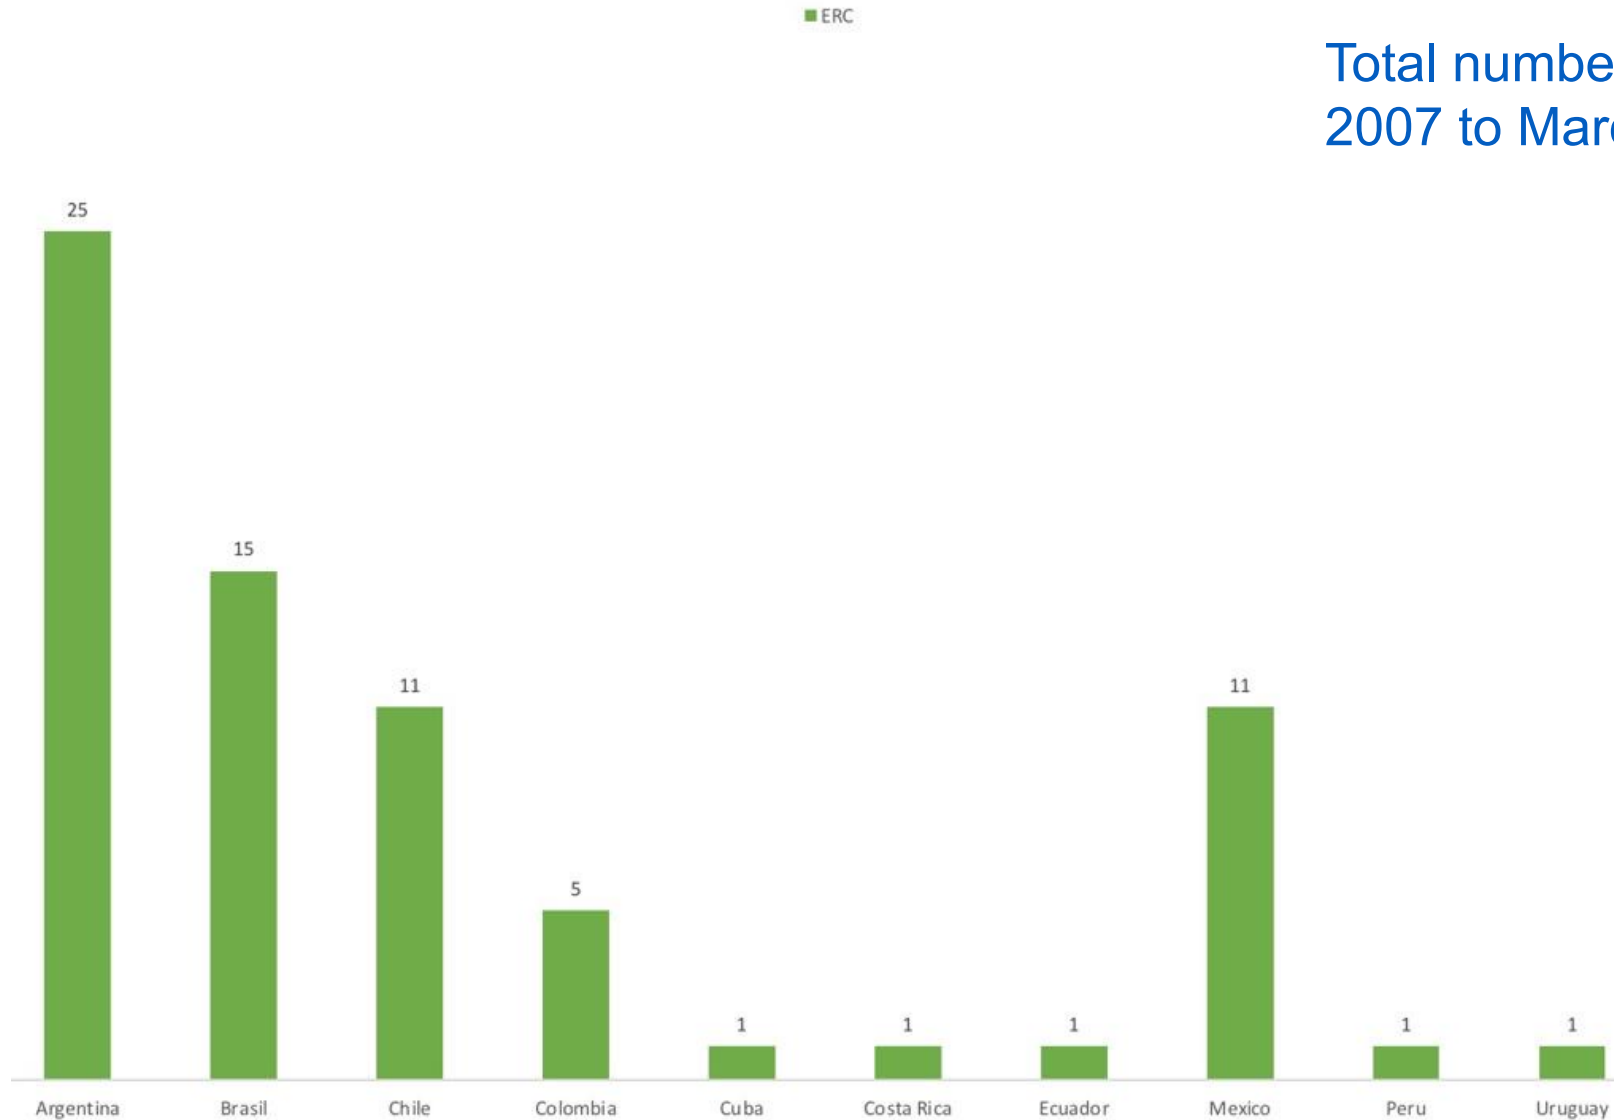

Proof-of-Concept

bridging gap between research - earliest stage of marketable innovation
lump sum €150,000 for ERC grant holders

European Research Council

Participación en el ERC por país

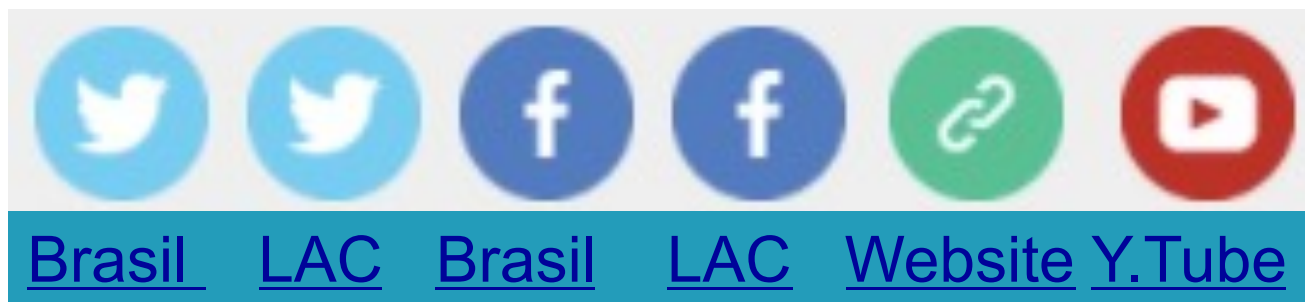

Total number of grantees from 2007 to March 2023
